Information Regarding Tracts Printed By The Gospel Tracts International

Since 1979, the Baldwin Church of Christ in Fayetteville, Arkansas has been involved in a ministry of printing tracts and other literature for mission points around the world. During that time, more than 32,000,000 tracts have been distributed. Many have been written by missionaries and national evangelists. In 2004, 1,923,877 tracts and books were printed and distributed to missionaries, mission congregations, and national evangelists in Ghana, Nigeria, Liberia, South Africa, India, Zambia, Northern Ireland, West Indies, Guyana, Panama, Philippines, Singapore, Russia and other mission points. Over 200,000 were furnished free to World Bible School teachers in the U.S. and Canada for distribution to their students

This work is a nonprofit ministry overseen by the Elders of the Baldwin Church of Christ. The average cost for doing all of this — including paper, printing and postage to the mission fields — has been just 5¢ per tract! **Contributions to carry on the work are urgently needed and always appreciated.** We are glad to furnish tracts to WBS teachers at no cost except (where possible) a donation to cover our postage costs in mailing tracts to you.
